Dear SUPER Students,

It's the sixth week of SUPER and by now you are all settled into the swing of things. Doesn't time just fly?

It's important to remember when going to classes and studying that you need to develop good habits that will help you out in the fall. Time management, planners, and plenty of sleep are valuable assets for any college student.

I want you all to know just how proud I am of all of you and how much you have grown over these past six weeks. I've seen you overcome differences and grow into a real family. You guys have been wonderful and I am so proud to be your RC! I was especially proud of the teamwork I saw displayed during the tour of campus challenge.

Love, Rachel Mae
