

Think about it...

...local news cameras.

...security cameras.

...police cameras.

...camera phones EVERYWHERE.

A hand is holding a smartphone horizontally. The screen is black with white text. The background is a blurred bokeh of warm colors like yellow, orange, and red.

**No One Is
Anonymous
Anymore.**

It's simple:

Do not participate in a riot.

Observing is participating.

Be smart. Don't go there.
