## Spartans Celebrate with Class

**To celebrate MSU successes like a true Spartan, follow these simple guidelines and share them with your friends:**

- **Do not block the street or sidewalks.**
- **Keep moving and avoid large crowds.**
- **Cooperate with police.**
- **Immediately leave any gathering that has been declared an unlawful assembly - even just observing is participating.**
- **In East Lansing, anyone within 300 feet of an open fire that is not actively leaving the area faces a misdemeanor charge, even if they are simply watching the fire. This charge is punishable by up to 90 days in jail and a \$500 fine.**
- **Any student who is found responsible for participating in an unlawful assembly or riot may be subject to disciplinary sanctions, including suspension or expulsion from his/her school.**
- **If you believe your rights have been violated by a police officer, obtain the officer's badge number and consider filing a formal complaint at a later date.**
