The questions on this survey are designed to help me plan the course. Specifically, I am asking information that will help me pair you with a study buddy and place you in a congenial "house" with three other students. Don't worry if you do not know how to publish to the Web. We will help you learn and this will be one of the valuable skills you will have gained in pursuing your masters online.

Q. Describe your level of confidence in publishing web pages:
   1 - Confident, have done it recently.
   8 - Have done it in the past, but not recently.
   10 - Have never published webpages but fairly confident with technology.
   5 - Have never published webpages and a bit worried about learning to do it.
