PLB 203
Fall 2012 – Ebert-May

Homework 6: Origin of Leaves
Due Wednesday, 26 September 2012

Communicating science to a broad scientific audience.

Word Process

1. Kenrick 2001 – science writer
2. Beerling et al 2001 – original research

Analyze the difference between the two papers. What was included in Kenrick and why? What was missing in Kenrick and why?
