Sound

- we tend to ignore it, or be marginally aware of it
- news reports
- TV, film, games, web:
  - visual media--images first, but sound can be the defining factor
- Web.....often weak sound
Its importance

- iPod--ear buds
- computer speakers/sound
- advent of stereo tv and HDTV
- Surround sound
Its importance

- segment(s) w/out sound
  - lifeless
  - not understandable
- Soundscape
- Usually weakest link in student film/video
Kill Bill --no sound
Kill Bill w/sound
From “Altered States”
