Final Presentation details

- The intention is to give you another opportunity to improve your presentation skills and get feedback from professionals.

- Business attire recommended, as we will take pictures after our event.

- Drop off the final video files at 2:30pm. Load and test the laptop, before class begins.

- You can choose the presenters from each group. There is no need for each group member to play an active role in the presentation.

- No need for any PowerPoint presentations. If appropriate, distribute handouts to the audience before you start your presentation.

- Provide an outline of your project assuming that the audience has no previous knowledge of the subject.

- Your presentation should cover the following components
  - Teaser/ Trailer
  - Project description
  - What went wrong?
  - What could have been done differently
  - Film

- The order of the presentations is as follows:
  - Dichotomy
  - Switching Gears
  - Sins of Circumstances
  - Simply Andy

Goodluck and work hard!!
