Beginnings, development & planning:
The College of Veterinary Medicine (CVM) is the main building on the MSU East Lansing campus. The CVM serves as a central hub for veterinary education, research, and clinical services, providing a unique and important role in the health and well-being of animals and people worldwide.

Objectives:
- Expand and modernize the existing facilities to meet current and future needs.
- Enhance the educational and research capabilities.
- Improve patient care and services.
- Increase the accessibility and visibility of the college.

Description:
The project involves a comprehensive renovation of the existing CVM facilities, including the main building and associated structures. The renovation will include updating the existing HVAC systems, improving energy efficiency, and providing a new state-of-the-art teaching and research environment. The project will enhance the college's ability to attract and retain top faculty and students, and will improve the overall student experience.

Funding:
- University: $9,500,000
- Federal: $3,000,000
- State: $1,193,304
- Other: $225,199

Total: $13,928,493

Timeline:
- Design: Fall 2018
- Construction: August 2019
- Completion: 2022

Project Costs:
- Design: $9,500,000
- Construction: $4,428,493

COSTS FUNDING
- Procurement $9,500,000
- Land $1,193,304
- Other $225,199
- State $9,500,000
- Federal $3,000,000
- Total $13,928,493

MILESTONES:
- Design:
  - Study: 2017-2018
  - Design: 2018-2019
- Construction:
  - Design: 2018-2019
  - Construction: 2019-2022

Impact:
- Improved educational and research facilities.
- Enhanced patient care and services.
- Increased research productivity and collaboration.
- Strengthened relationships with industry partners.
- Improved campus aesthetics and image.
The FRIB New Basketball Complex project is a comprehensive renovation of the facility to accommodate the needs of the women’s and men’s basketball programs. The project includes replacing the roof, exterior finishes, and interior finishes, as well as renovating the locker room, press room, and coaching offices. The project also involves the addition of a new entrance and a new parking lot to improve accessibility.
