

Covid-19 Vaccine Online Courses Only Exemption Request

Mandatory COVID-Vaccine Policy

Michigan State University requires all employees and students to be fully vaccinated against COVID-19. Universal vaccination of students and employees against COVID-19 will significantly reduce the risk of transmission of COVID-19 on campus and in the surrounding communities and is the clearest path to the resumption of on-campus living and learning. This form should be used by students needing an exemption because they are taking only online classes for the fall 2021 semester. Online courses only exemption requests must be submitted **on or before Aug. 31, 2021**. While waiting for an exemption decision, students must not come to campus or any MSU-governed property.

To be completed by student and parent or guardian (if student is under 18)

I am seeking a COVID-19 vaccine exemption because I am taking only online courses for the fall 2021 semester and will not physically be present on campus or in any MSU owned or governed property for any reason, including attending or participating in courses, services, programs, recreational or sporting events or other activities of any kind.

If granted this exemption, I attest that I will not physically be present on campus or in any MSU owned or governed property for any reason, including those listed above. I understand and acknowledge that my physical presence on campus, or in any MSU owned or governed property, for any reason during fall 2021 semester may result in disciplinary action up to and including expulsion. I understand and acknowledge that changes to this exemption, including any change in my online only course status, or need to be present on campus, or on any MSU owned or governed property for any reason during the fall 2021 semester, must be approved in writing in advance. Such approval must be requested by emailing the request to: onlinestudentexemption@msu.edu.

If student is less than 18 years old the request must be signed by both the student and the parent guardian.
