STUDENTS: WHAT DO I DO?

IF YOU HAVE SYMPTOMS OF COVID-19

Isolate and do not go to class or any social event, regardless of vaccination status.

Call the MSU Triage Line at 855-958-2678.

If living on campus, call the RHS COVID-19 Hotline at 517-884-6862 for quarantine/isolation housing.

Email or call instructors to make accommodations.

HOW DO I GET A COVID-19 TEST?

- Asymptomatic students or those with mild symptoms: Use the Early Detection Program; results are available in 24-36 hours.
- Students with significant symptoms (high fever, persistent cough or trouble breathing): Request a test at Olin Health Center.
- Or visit go.msu.edu/wHp5 for local testing locations.

IF YOU HAVE A POSITIVE COVID-19 TEST RESULT

Regardless of vaccination status, isolate for 10 days from the onset of symptoms or the day you tested.

IF YOU ARE A CONFIRMED CLOSE CONTACT OF SOMEONE WHO HAS COVID-19

...AND YOU ARE NOT FULLY VACCINATED

Quarantine and call the MSU Triage Line at 855-958-2678.

Carefully monitor for symptoms for the next 14 days.

If no symptoms, there is no need to quarantine but be vigilant about wearing a mask in public.

...AND YOU ARE FULLY VACCINATED

Carefully monitor for symptoms for the next 14 days.

Consider participating in the Early Detection Program and test 3-5 days after exposure.
