To get a picture of people's financial situations, we'd like to know the general range of incomes of all households we interview. This is for statistical analysis purposes and your answers will be kept strictly confidential. Now, thinking about your household's total annual income from all sources (including your job), did your household receive $30,000 or more in 2000?

YES..............................1
NO...............................5 @
DO NOT KNOW..................8
REFUSED.........................9

Was it less than $20,000?

YES..............................1
NO...............................5 @ ($20,000-$29,999)
DO NOT KNOW..................8
REFUSED.........................9
