Math-Science-Technology
at
Michigan State University

July 13 – July 26, 2008

A residential program for students entering grades 8 and 9 that exposes students to challenging curriculum in the math, science, and technology field. Students stay on beautiful MSU campus for two weeks and choose two academic classes as well as one fun special clinic to participate in while they stay. A wide variety of social activities are planned for the students at night and over the weekend.

Academic Classes:
- Astronomy
- Chaos and Fractals
- Digital Communications
- Genetics
- Media Presentations: Paper and Film
- Mechanical Engineering
- Physics
- Physiology
- Zoology

Special Clinics:
- Basic Martial Arts & Self-Defense
- Basketball
- Creative Writing
- Flash I: Graphics & Animation
- Flash II: Interaction & Games
- Podcasting
- Soccer
- Visual Arts
