Alum Ronald Moore Shares Experience at 2010 Lavender Reception

Through the use of Skype, MSU Alumnus and MSU GLBT Alumni Association Board Member Ronald Moore addressed students remotely from New York. His comments were followed by Q &A session with students.

Ronald’s response to one question... “what advice would you have for removing all obstacles and changing the world?” was followed up with his perspective about life, work and diversity...“It starts with being authentically who you are.”

Congratulations to all of the 2010 Graduates!
