ELIGIBILITY CENTER REGISTRATION FEE INCREASE
The NCAA Eligibility Center registration fee will change effective September 1, 2014. The registration fee will be $75 for U.S., U.S. Territories and Canadian students (U.S. Territories include American Samoa, Guam, Northern Mariana Islands, Puerto Rico and U.S. Virgin Islands); and $130 for all other international students.

NCAA LEGISLATION EFFECTIVE AUGUST 1, 2014
Effective August 1, 2014, for all sports other than ice hockey, football, basketball, swimming and diving and track and field/cross country, the following legislation regarding telephone calls and electronic transmissions will be as follows:

- Telephone Calls: Beginning September 1 of a prospect's junior year in high school, coaches may make calls to the prospect and his/her parents/legal guardians at his/her discretion (i.e., unlimited telephone calls).
- Electronic Correspondence: Beginning September 1 of a prospect's junior year in high school, electronic correspondence (e.g., electronic mail, Instant Messenger, facsimiles, text messages) may be sent to a prospect and his/her parents or legal guardians. Before a prospect has signed a National Letter of Intent or the institution’s written offer of admission and/or financial aid, or the institution has received his/her financial deposit in response to its offer of admission, the correspondence must be sent directly to the prospect (or his/her parents or legal guardians) and must be private between only the sender and recipient (e.g., no use of chat rooms, message boards or posts to “walls”). Color attachments may be included with electronic correspondence, provided the attachment only includes information that is not created for recruiting purposes, except for items that are specifically permitted as printed recruiting materials (e.g., questionnaires), a media guide and video and audio materials, as permitted in Bylaw 13.4.1.5. Attachments other than a media guide and permissible video and audio materials shall not include any animation, audio or video clips and there shall be no cost (e.g., subscription fee) associated with sending the item attached to the electronic correspondence.

ENTERTAINMENT AND LIFE SKILLS LEGISLATION REMINDER
During the summer vacation period the following legislation applies to entertainment and life skills activities.

- Entertainment: MSU may provide entertainment to student-athletes only during the time a team is in-season (20-hour weeks). It is not permissible to provide entertainment to student-athletes during the summer vacation period.
- Life Skills Activities: It is permissible to provide life skills activities to student-athletes during the academic year and vacation periods. Student-athletes may not miss class in order to participate in life skills activities.
