Compliance Area:  **COMPLIMENTARY ADMISSIONS**

MSU may provide prospective student-athletes on official and unofficial visits a maximum of three complimentary admissions to a home athletics event at any facility within a 30-mile radius of campus. For an unofficial visit, if MSU schedules any regular-season home games at a site not designated as its regular home facility, the host institution may provide a maximum of three complimentary admissions to any such game. If a prospect is a member of a nontraditional family (e.g., divorce, separation), MSU may provide up to two additional complimentary admissions to the prospect in order to accommodate the parents accompanying the prospect (e.g., stepparents) to attend a home athletics event.

Complimentary admissions are for the exclusive use of the prospect and those persons accompanying the prospect on the visit and must be issued only through a pass list on an individual game basis. Complimentary admissions may provide seating only in the general area of the facility. Providing seating during the conduct of the event (including intermission) for the prospect and those persons accompanying the prospect in the facility’s press box, special seating box(es) or bench area is prohibited.

For prospects on an official visit, MSU may reserve tickets for the use of immediate family members accompanying the prospect for seat locations adjacent to the complimentary seats being provided to the prospect. These tickets must be purchased at face value. MSU may not reserve tickets (in addition to the complimentary admissions) to be purchased by a prospect or individuals accompanying the prospect on an unofficial visit. Additional tickets may be purchased in the same manner as the general public.

MSU may not provide complimentary or reduced cost admissions to a prospect for a postseason conference tournament, for an NCAA championship (all rounds) or other postseason contests (e.g., bowl game, NAIA or NIT championships). The prospect may purchase theses tickets only in the same manner as the general public.

High school, preparatory school or two-year college coach or any other individual responsible for teaching or directing an activity in which a prospect is involved may receive a maximum of two complimentary admissions (issued only through a pass list) to a home athletics event. MSU may not reserve tickets (in addition to the complimentary admissions) to be purchased by the high school, preparatory or two-year college coaches (or individuals accompanying them). Additional tickets may be purchased in the same manner as the general public.

**Procedure:**

Coaches must complete the on-line ticket request form (PassLists.com) prior to the athletic event that the prospect will be attending.
