TWO-FOUR TRANSFER REQUIREMENTS - QUALIFIER

SAs Enrolling Full-Time at Two-Year College Prior to August 1, 2012

Academic Requirements
- One full-time semester in residence at the two-year college (excluding summer sessions);
- Earned a minimum GPA of 2.000; and
- Satisfactorily completed 12 hours of transferable degree credit per full-time term of enrollment.
- MBB Only: Limit of 2 credit hours of physical education activity courses for transferable degree credit and GPA requirements.

If YES:
Eligible for practice, competition and athletics aid first year of enrollment at four-year college.

If NO:
Eligible for practice and athletics aid first year of enrollment only. Not eligible for competition.

SAs Enrolling Full-Time at a Two-Year College On or After August 1, 2012

Academic Requirements
- One full-time semester in residence at the two-year college (excluding summer sessions);
- Earned a minimum GPA of 2.500;
- Satisfactorily completed 12 hours of transferable degree credit per full-time term of enrollment; and
- Limit of 2 credit hours of physical education activity courses for GPA calculation and transferable degree credit.

If YES:
Eligible for practice, competition and athletics aid first year of enrollment at four-year college.

If NO:
Eligible for practice and athletics aid first year of enrollment only. Not eligible for competition.

Midyear Enrollee - In MBA and MBB, a qualifier who meets the above legislation, but initially enrolls midyear may not be eligible for competition until the following academic year.

Transferable Degree Credit – For purposes of determining transferable degree credit, MSU may count those courses accepted as degree credit in any of its colleges, schools or departments. Credit hours for courses with grades not considered acceptable for transferable degree credit for all students will not be counted in determining whether the transfer requirement for total number of hours is satisfied.

Calculation of GPA for Transferable Credit – Grades earned in all courses that are normally transferable will be considered in determining the GPA for meeting transfer requirements, regardless of the grade earned or whether the grade makes the course unacceptable for transferable degree credit. Only the last grade earned in a course that has been repeated will be included in the GPA calculation.

*In situations in which the institution places a limit on the number of courses that may be transferred to the institution, then the institution may NOT use courses in excess of that limit when evaluating the transferable credit-hour requirement. However, when calculating the transferable GPA requirements, the institution must include grades earned in all courses normally transferable, even if the institution limits the number of credits accepted from the two-year institution.

Use of Physical Education Activity Courses – Not more than two credit hours of physical education activity courses may be used to fulfill the transferable degree credit and GPA requirements. Exception exists for SA's enrolling in a physical education degree or a degree program in education that requires physical education activity courses. Additional credit hours of physical education activity courses may not be used to fulfill elective requirements.

Advanced Placement Courses – Institution may accept AP hours as transferable two-year college hours only if the AP hours are reflected on the two-year college transcript and they are accepted by the four-year institution as transferable degree credit.

Multiple Two-Year Colleges - All grades and courses may be used to determine PSA’s eligibility. At least 25% of the credit hours used to fulfill the PSA’s degree requirements must be earned at the two-year college that awards the degree.

Credits Earned at Four-Year Institution – If a student-athlete earns additional credits as a part-time student at a four-year institution while enrolled in the two-year college, the hours accumulated at the four-year institution may be used in determining the student-athlete’s eligibility, provided 1) the hours are accepted by the two-year college and are placed on the transcript by the two-year college from which the student-athlete transfers prior to the date of the initial regular enrollment at the four-year institution; or 2) the hours are accepted by the two-year college and are placed on any other official document (other than the student’s transcript) used by the two-year college for this purpose prior to the date of initial regular enrollment at the four-year institution. The document must include the official seal of the two-year college, be signed by the appropriate academic official of the two-year college and be forwarded directly from the two-year college to the appropriate admissions official at the four-year institution.
TWO-FOUR TRANSFER REQUIREMENTS – NONQUALIFIER

SAs Enrolling Full-Time at Two-Year College Prior to August 1, 2012

**Academic Requirements**
- Graduate from two-year college with an AA degree;
- Satisfactorily completed 48 hours of transferable degree credit;
- 6 credit hours of transferable English and 3 credit hours of math;
- Earned a minimum GPA of 2.000; and
- Attended the two-year college as a full-time student for a minimum of 3 semesters (excluding summer).
- MBB Only - Limit of 2 credit hours of physical education activity courses for transferable degree credit and GPA requirements.

Eligible for practice, competition and athletics aid first year of enrollment at four-year college.

Not eligible for practice, competition or athletics aid first year of enrollment at four-year college.

SAs Enrolling Full-Time at Two-Year College On or After August 1, 2012

**Academic Requirements**
- Graduate from two-year college with an AA degree;
- Satisfactorily completed 48 hours of transferable degree credit;
- 6 credit hours of transferable English, 3 credit hours of math and 3 credit hours of natural/physical science;
- Earned a minimum GPA of 2.500;
- Attended the two-year college as a full-time student for a minimum of 3 semesters (excluding summer); and
- Limit of 2 credit hours of physical education activity courses for GPA calculation and transferable degree credit.

Eligible for practice, competition and athletics aid first year of enrollment at four-year college.

Not eligible for practice, competition or athletics aid first year of enrollment at a four-year college.

NO
- Earned a minimum GPA of 2.000.

YES
- Earned a minimum GPA of 2.500.

Eligible for practice and athletics aid first year of enrollment only. Not eligible for competition.

Midyear Enrollee - In MBA and MBB, a nonqualifier who meets the above legislation, but initially enrolls midyear may not be eligible for competition until the following academic year.

Transferable Degree Credit – For purposes of determining transferable degree credit, MSU may count those courses accepted as degree credit in any of its colleges, schools or departments. Credit hours for courses with grades not considered acceptable for transferable degree credit for all students will not be counted in determining whether the transfer requirement for total number of hours is satisfied.

Calculation of GPA for Transferable Credit – Grades earned in all courses that are normally transferable will be considered in determining the GPA for meeting transfer requirements, regardless of the grade earned or whether the grade makes the course unacceptable for transferable degree credit. Only the last grade earned in a course that has been repeated will be included in the GPA calculation.

- **In situations in which the institution places a limit on the number of courses that may be transferred to the institution, then the institution may NOT use courses in excess of that limit when evaluating the transferable credit-hour requirement. However, when calculating the transferable GPA requirements, the institution must include grades earned in all courses normally transferable, even if the institution limits the number of credits accepted from the two-year institution.**

Use of Physical Education Activity Courses – Not more than two credit hours of physical education activity courses may be used to fulfill the transferable degree credit and GPA requirements. Exception exists for SAs enrolling in a physical education degree or a degree program in education that requires physical education activity courses. Additional credit hours of physical education activity courses may not be used to fulfill elective requirements.

Advanced Placement Courses – Institution may accept AP hours as transferable two-year college hours only if the AP hours are reflected on the two-year college transcript and they are accepted by the four-year institution as transferable degree credit.

Use of Hours Earned During Summer Terms – Not more than a total of 18 credit hours of transferable degree credit may be earned during summer terms. Not more than 9 credit hours may be earned during the summer term immediately prior to transfer. SAs may earn more than 9/18 credit hours during the summer and/or during the summer term prior to transfer to satisfy the two-year graduation requirement and percentage-of-degree requirements; however, not more than 9/18 credit hours may be used to meet the required 48 semester hours of transferable credit.

Multiple Two-Year Colleges - All grades and courses may be used to determine PSA’s eligibility. At least 25% of the credit hours used to fulfill the PSA’s degree requirements must be earned at the two-year college that awards the degree.

Credits Earned at Four-Year Institution – If a student-athlete earns additional credits as a part-time student at a four-year institution while enrolled in the two-year college, the hours accumulated at the four-year institution may be used in determining the student-athlete’s eligibility, provided 1) the hours are accepted by the two-year college and are placed on the transcript by the two-year college from which the student-athlete transfers prior to the date of the initial regular enrollment at the four-year institution; or 2) the hours are accepted by the two-year college and are placed on any other official document (other than the student’s transcript) used by the two-year college for this purpose prior to the date of initial regular enrollment at the four-year institution. The document must include the official seal of the two-year college, be signed by the appropriate academic official of the two-year college and be forwarded directly from the two-year college to the appropriate admissions official at the four-year institution.
