WeBWorK Instructions

Please complete the following steps to sign up and pay for WeBWorK.

1. Sign Up

To sign up for WeBWorK do the following:

- Go to https://www.math.msu.edu/WeBWorK/
- Enter your MSU NETID and associated password, then click “SIGN IN”
- Click the link “Course Website” to access the WeBWorK.

2. Pay

The WeBWorK fee is non-refundable so please wait to pay the WeBWorK fee until you are certain you will not drop the class. WeBWorK will be available to all students on a trial basis until Wednesday 09/28/16, just after the Drop With 100% Refund Due Date. If a student has not paid the fee before this time they will be locked out of their account. If this happens the account can be reopened when the student pays the fee. See below for more information.

To pay for WeBWorK do the following:

- Go to the WeBWorK Help Page (www.math.msu.edu/WeBWorK)
- Click on Student Help Page.
- Use your PID(A********) and MSU Net ID to enter the WeBWorK Help Page.
- Find the section to pay the WeBWorK Fee and follow the directions.

Frequently Asked Questions

Is WeBWorK required for the course?

Yes, as stated in the syllabus WeBWorK assignments count for 15% of the course grade. Without a subscription a student would be unable to do the assignments and lose those points (15% of the final grade).

Why isn’t WeBWorK free?

The WeBWorK fee helps create, maintain, and develop the homework problems for the mathematics courses here at MSU.

I forgot to pay before the deadline and now I’m locked out of my account.

If you forget to pay before the deadline of 9/28/16 you will be automatically dropped from WeBWorK. To reopen your account, simply follow the pay instructions above. Please allow for a processing time of up to 2 hours after payment. After the payment has been process your account will be reopened and you will find any previous assignments saved. Any assignments missed during this time will not be re-opened.
