Shaylyn Wood is ten and grew up in Michigan. As a young girl, she found strength to share stuff that she can do to the world. Shaylyn loves to draw. She once drew a picture of her mom and it looked just like her mom when she was 8 years old. And it looked very nice. At 9, she drew a picture of her mom and dad hugging and it looked very nice. She one day was helping her grandfather build a wishing well. She decided to build a wishing well when her grandfather needed help. She says she knows she didn’t put enough details but she did the best she could to give you details. (To her readers on “How to Build a Wishing Well”). She hopes one day after all her stories she can put her song after all of her books. Her song is called "WHEN YOUR FRIEND MOVES AWAY WHERE YOUR SKYS GO GRAY".
