Response Summary

Total Started Survey: 33
Total Completed Survey: 33 (100%)

Page: **Default Section**

1. Please select which one applies most to you.

	Response Percent	Response Count
Male <input type="checkbox"/>	21.2%	7
Female <input type="checkbox"/>	78.8%	26
answered question		33
skipped question		0

2. Note which one applies to you

	Response Percent	Response Count
I have had some or have completed a high school education <input type="checkbox"/>	9.1%	3
I have had some college (undergraduate degree) <input type="checkbox"/>	87.9%	29
I have had some grad school/medicle/etc. <input type="checkbox"/>	3.0%	1
None of the above education experiences apply to me	0.0%	0

<i>answered question</i>	33
<i>skipped question</i>	0

3. Please describe, to the best of your ability, what you think embryonic stem cell research is and how it is done.

	Response Count
view	33
<i>answered question</i>	33
<i>skipped question</i>	0

4. What is your personal view on embryonic stem cell research?

	Response Percent	Response Count
I am completely opposed to embryonic stem cell research <input type="checkbox"/>	3.0%	1
I am somewhat opposed to embryonic stem cell research <input type="checkbox"/>	12.1%	4
I do not oppose embryonic stem cell research <input type="checkbox"/>	21.2%	7
I am completely for embryonic stem cell research <input type="checkbox"/>	54.5%	18
I don't really know where I stand <input type="checkbox"/>	9.1%	3
<i>answered question</i>		33
<i>skipped question</i>		0

5. Please note if any of the following apply to you.

	Response Percent	Response Count
I am very religious <input type="checkbox"/>	15.2%	5
I am somewhat religious <input type="checkbox"/>	42.4%	14

I am not religious at all	<input type="checkbox"/>	33.3%	11
I am not sure	<input type="checkbox"/>	9.1%	3
answered question			33
skipped question			0

6. Answer this question to the best of your ability by trying to disregard any preconceived biases you may have either for or against stem cell research. Question: How much do you think stem cell research could influence regenerative medicine

		Response Percent	Response Count
It will have an extream impact	<input type="checkbox"/>	33.3%	11
It will have a lot of impact	<input type="checkbox"/>	42.4%	14
It will have some impact	<input type="checkbox"/>	21.2%	7
It will have very limited impact	<input type="checkbox"/>	3.0%	1
It will have no impact		0.0%	0
answered question			33
skipped question			0

7. Are you familiar with the recent work with induced pluripotent stem (iPS) cell research?

		Response Percent	Response Count
I know a lot of information about iPS cells	<input type="checkbox"/>	9.1%	3
I know a some information about iPS cells	<input type="checkbox"/>	24.2%	8
I know very little information about iPS cells	<input type="checkbox"/>	9.1%	3
I have heard iPS but I have no idea what it means	<input type="checkbox"/>	21.2%	7
I have never heard of iPS until today	<input type="checkbox"/>	36.4%	12

<i>answered question</i>	33
<i>skipped question</i>	0

8. To the best of your ability, please describe what you think induced pluripotent stem (iPS) cells are and how they are made. If you don't know please write "I don't know"

	Response Count
view	33
<i>answered question</i>	33
<i>skipped question</i>	0

9. This question only applies to those who answered that they are either against or somewhat against embryonic stem cell research. If you said you are not against please note that this question does not apply to you.

	Response Percent	Response Count
I am still very opposed to iPS cells <input type="checkbox"/>	4.2%	1
I am somewhat opposed to iPS cell <input type="checkbox"/>	16.7%	4
I am not opposed to iPS <input type="checkbox"/>	20.8%	5
This question does not apply to me <input type="checkbox"/>	58.3%	14
<i>answered question</i>		24
<i>skipped question</i>		9

10. For those that answer the last question as either of these answer choices: I am opposed to iPS cells I am somewhat opposed to iPS cells Please describe some of your reasoning in the space below.
