**Ottawa County 4-H Supershowmanship Rules**

*Effective February 2007*

**Score sheet:** The score sheet will have a scale of five for each category, except ability of exhibitor and show technique which will have ten points each. See sample attached. Score sheets to be provided by the 4-H office.

1. **Winning:** A member may only win Supershowmanship in Ottawa County once per year.

2. **Judges:** All judges must be at least 18 years of age. It is recommended that judges not be related to the participants in the show.
   - Experienced 4-H members who are 17 may assist an adult in judging
   - Experienced 4-H members who are 18 and have assisted in judging in the past, may judge
   - Experienced 4-H members who are 19 may judge

3. **Classes:** All classes to be divided by the age of the members. Members are to go in the age appropriate class (not necessarily the same class they won in with their regular showmanship class.) Classes are:
   - Junior 9, 10 and 11 (no big beef will be shown)
   - Intermediate 12, 13 & 14
   - Senior 15, 16, 17, 18 & 19

4. **Eligibility:** The first showmanship contest that a member wins is THE species the member must show in supers. No passing down the first animal to the second place winner (unless the member is not going to compete in the contest at all). The second species of showmanship that a member wins in must be passed down to the second place winner. (and passed to the third if the second place winner has already qualified) In order to compete in Supershowmanship you MUST have won a placing ribbon in showmanship at that fair. No spot in Supershowmanship may be passed down to someone who has not won a placing ribbon.

5. **Questions:** Questions asked during the event are to be general knowledge, easy for members to find and age appropriate. Judges must ask the same question(s) of each member in an age group.

6. **Sportsmanship:** All 4-H rules of conduct will apply including those of sportsmanship before, during and after the contest.

7. **Animals:** Animals for supershowmanship should be manageable and easily shown. Safety of members is of primary consideration. Project coordinator will have the final decision on animals. Animals should not be switched during a class but rather should be switched between classes.

8. **Appearance:** No sandals, canvas shoes, no open toes or open heels. No bare mid – drifts or halter tops. Only the first judge will give a score for appearance.

9. **Ability with animal:** Interaction of the member and the animal and the member’s ability to read the animal, and approach it so that it can be worked with. (Interaction and control of the animal) **This item is worth ten points**

10. **Show technique:** Knowledge of correct show methods and technical aspect of the animal, maneuvers, patterns, Proper display of animal **This item is worth ten points.**

11. **Dropped Scores:** The Supershowmanship coordinators will not drop the low score of any member in calculating the results.
