Horse Identifications  All members riding horses in any of our three fairs are required to have a horse ID sticker attached to their back number. These ID stickers are sent out to the administrative leader of record. Be sure you have a current ID sticker before you enter the ring! Extra stickers are available by calling the 4-H office so that you can wear one on each side of your saddle if you prefer.

There are no changes allowed after a HORSE HAS BEEN RIDDEN AT ONE FAIR. Any other changes are only when approved by the 4-H Horse Committee and if you have a letter from the 4-H office expressly saying a change has been approved. They are only available in extreme hardship where death or injury resulting in loss has occurred.

4-H Horse Committee The Ottawa County 4-H Horse Committee works very hard to bring lots of wonderful programs to you as a 4-H family. If you have concerns, would be willing to volunteer or are able to help with an event they would love to hear from you. The committee officers are: President Erin McCarthy, 550-3403 Vice-President Jen MacDonald 875-2239 Treasurer Audra Fitzpatrick-Cook 402-6239 Secretary Cindy Beukema 895-5224

Poultry Pullorum Testing We are fortunate to have Carol Groenink as our tester for pullorum for poultry going to the fairs. Unless your poultry project is from a certified free facility it must be tested before the fair. The fee is $1.00 per bird and the test is good for the summer. Testing will be done at the Berlin Fair Grounds on Friday, July 13, 2007 from 6:00 p.m. until 7:00 p.m.

Liability and Your 4-H Project It is important that each 4-H family understand they are responsible for their own 4-H project animal and any resulting injury or damage an animal may cause. In many cases your animal is covered under your home ownership policy or farm policy. Please consult your insurance agent or your policy for details. The 4-H program does not carry liability insurance for 4-H animals or even loss protection. The only coverage that MSU Extension provides is liability coverage for 4-H leaders that are acting on behalf of the 4-H program. Liability protection is protection against legal suit brought against someone. It is not accident insurance.
Happenings

Talent Needed for Ladies Day  Our own Jinnifer Gibbs has once again asked if there are any 4-H members out there who have some special talent in singing, dancing or playing an instrument. She would like to invite you to perform during the Ladies Day event at the Holland Fair. It is **Wednesday, July 25**. Jinnifer would love to hear from you!!! Please call her at the MSU Extension office which is 846-8250 (the same place as 4-H) Those performing will be sent a pass for themselves and one parent. We are looking forward to seeing you up on the stage.

Calling all Sewing Members
If you modeled in Spring Achievements you are invited to participate in the fashion show at the Holland Fair as a part of the Ladies Day event on **Wednesday, July 25th**. A post card will be sent to everyone, so look for it in your mailbox. We need lots of models of all levels of experience and a variety of ages. If you want, you don’t even need to wait for the post card. You can call us at the 4-H office to sign up.

Thunder and Lightning  “If you hear it, clear it.” It is impossible to have thunder without lightning, even if you do not see the lightening. If there is thunder that you can hear, it is possible to have lightning strike where you are standing! For this reason it is MSUE policy that if thunder is heard or lighting is seen, all programming outside must cease and participants moved inside to a safe location. It is safe to begin the program outside again after no thunder has been heard or lightning.

Horse Shows for Fairs  The Ottawa County 4-H Horse Committee would like to remind parents and 4-H leaders of the following items discussed at the leaders’ meeting in April.

1. All horse shows will start at 8:00 a.m. this year!
2. There will be **three rings** running at once.
3. Classes will only be announced twice. It is the member’s responsibility to be on time for classes. If you miss your class the judge is not obliged to allow you to enter the ring late.
4. Water your horse by filling a bucket with a hose, **do not** let them drink from the trough.
5. Members **MUST** clean up after their horse.
6. Plan to bring a bucket and shovel to scoop up all horse manure to take home to dispose of.
7. No trainer or parent or other adult is allowed to ride the horse on the day of the show. Members **only** may ride their horse that day!
8. Once a horse has received a premium in a given year, the member may not change to another horse no matter what the reason.
9. The horse show at Berlin Fair will be the Friday before the fair starts. It will be held in front of the race track.
10. A **food booth will be open from 10:00 a.m. until 2:00 p.m.** at the race track for the Friday afternoon show.

Dogs.............................................Melaney Koenes..........................875-8930
Berlin Fair Coordinator.....................Geri Elzinga.............................837-6096
Honor Exhibits  Any member winning a purple county honor ribbon at Spring Achievements is eligible for the Honor Exhibit at the BERLIN and HOLLAND Fairs. Be sure to mark your exhibit as an honor and give it directly to the coordinator (Carol Visser at Berlin and Kim Pitch at Holland) who will assist you with putting it in the honor exhibit. Do NOT put your project on the regular tables with the other projects or it will not get an honor rosette!

Demonstrations  Any member 9 and up may enter the demonstration contest. To do so, pre-register for the demonstration class on your premium sheet and mail it to the fair office. Then SIGN UP for a time slot during the time that judging for still exhibits takes place. Then it is your responsibility to arrive at the demonstration location on time and ready to present your demonstration. The Teen Club provides rosettes and cash prizes which are in addition to the premium paid by the fair board. The cash prizes are: $30 first place, $20 second place, $10 third place.

Demonstrations may be on any topic but you may not use live animals. (Use a stuffed animal model) Call the 4-H office to get a copy of the score sheet. This is a fun and easy 4-H project and a terrific practice for future job interviews!

Teen Club  There are no regular meetings of the teen club in the summer. The next meeting will be the 2nd Thursday of September at 7:00 at the Allendale Library. See you in September!

Supershowmanship  More than 105 people attended the Supershowmanship workshop sponsored by 4-H Teen Club on June 5th at the Berlin Fair Grounds.

Club members arranged for each species to be present and participants received a copy of the Supershowmanship handbook to take home. Congratulations.

Rabbit Cages for Berlin Fair  This year the goal is to find donations to help buy MORE new cages for the Berlin Fair rabbit barn. Our goal is to be able to buy 78 new cages to give us a total of 150 for the barn. The Rock-N-Country 4-H Club is looking for sponsors to help pay for them. In all we need $1,500 to cover the cost of new cages.

Donors of $50 or more will have their name engraved on a plaque to go up in the barn. For $100 you can sponsor 5 cages!! For more details contact Julie May at 616-634-0605 OR send your tax deductible donation to the Berlin 4-H Livestock Committee c/o Ed Denhof 20638 16th Ave Conklin, MI 49403. Be sure to indicate that your donation is for rabbit cages and how you want your name to read on the plaque when you send your check.

State 4-H Horse Show  Members wishing to show at the Michigan 4-H Horse Show need to be prepared to turn in their completed State 4-H Horse Show Entry by 5:00 p.m. on Monday, July 16th at the 4-H office in Grand Haven. Plan to fill it out at the end of the horse show on Friday if you can (you can turn in your completed packet during still exhibit judging Friday night at the Berlin Fairgrounds) Your entry must include all paper work (with parent signatures) and a check for the entry fee made out to MSU Extension. A Coggins test must accompany the entry. All members who show at the State 4-H Horse show will receive a free commemorative sweat shirt from the Ottawa County 4-H Horse Committee. An order form will be found in your state horse show packet.

Make It With Wool  The 60th annual Make It With Wool contest will be held this year at Kettunen Center on October 13, 2007. The deadline for entries in the contest is September 22, 2007. There is a $10 entry fee and you must include a sample of the material that your garment is made of. For a complete list of instructions and to get an entry form please call the 4-H office. This contest is open to everyone including adults. There are several age divisions and youth will not compete against adults.
2007 HOLLAND FAIR SCHEDULE
MONDAY, JULY 9  ENTR :  OTTAWA COUNTY FAIR
P O BOX 8102
HOLLAND, MI 49422

SUNDAY, JULY 22
2:00-4:00 p.m.  Still exhibit entries accepted.  Avoid Monday traffic by coming Sunday!

How Do I Enter a Project in the Fairs?  Each year parents call and ask how they enter their child’s project in the fair. Here are some helpful tips.

1. Identify all of the projects that an individual member has created in the past year (since last year’s fair)
2. Identify a class in the fair book that the project is eligible for. (fair books are available from 4-H leaders, the 4-H office or on line).
3. Fill out one exhibit tag per project for each fair it will be in.
4. Arrange the exhibit tags in numerical order (by class number)
5. Fill out a premium sheet for the fair, by listing each 4-H project on the sheet. There is a limit of 18 still exhibits per fair. Animal projects are in addition. Add animal projects after the still exhibits.
6. Attach the exhibit tag firmly to the project and tear off the white copy and keep it on file for when you pick projects back up after the fair.
7. Mail the completed premium sheet to the fair office (NOT the 4-H office) so that it arrives at least two weeks before the start of the fair.
8. Check the “Happenings” for the schedule of the fair. Still exhibit projects have specific times they may come to the fair. At Berlin Fair and Hudsonville Fair the member must come with the project to be interviewed. At Holland just the project must come to the fair to be put on display.
9. Take the project to the fair at the specified time where it will be judged. If your club has a booth at the fair, (the administrative leader had to sign up for a booth) take the project to the booth after judging. (or leave the project at the Holland Fair on the table where the project belongs – they are arranged by project type)
10. Return during the scheduled time at the end of the fair to pick up the project. Bring the top copy of the exhibit tag with you so you know what you are picking up.
11. Premium checks are usually available when you pick up the projects or they are mailed to you after the fair.

12. If you have animal projects be sure to check with your 4-H leader as to when they need to come to the fair. The fair books and the “Happenings” also list times for animals to come to the fair. Horses and dogs come the day of the show and leave when the show is over. All other species stay for the entire fair week. You will need to care for your animal every day to make sure it is clean, fed and watered.

Congratulations Lisa VanderVeen

Huge congratulations to Lisa VanderVeen who was the 2007 State 4-H Award winner in Clothing and Textiles! Here she is right before going into the Wharton Center to accept her award. Additional regional award delegates were Amber Haveman, Ashley Haveman and Bob Ferwerda.
EXHIBIT TAGS

Step 1. Arrange your projects in numerical order (by class number) and fill out exhibit tags before you begin the premium sheets.

Step 2. On the exhibit tag circle the fair you are going to.

Step 3. Fill in name, club number, individual computer number and age.

Step 4. Put years in the project (not years in 4-H).

Step 5. **Describe your project (color, size, type etc.)** Coordinators need good descriptions in case they need to find projects.

Step 6. Write the department, division and class number (from the fairbook)

Step 7. Arrange your exhibit tags in numerical order and then write them on the premium sheet in that order.

Step 8. Attach the exhibit tag to the project (firmly). Remove and keep the top (white) copy of the exhibit tag.

Step 9. If no premium amount is listed in fair book, you don't have to list on premium sheet. (No exhibit tag needed)

Step 10. If you do not exhibit or show please turn in your pink copy to coordinator to be scratched off your premium sheet.

Step 11. Mail your premium sheet in to the FAIR BOARD office at least two weeks before the fair.

Step 12. Bring your projects to the fair with the exhibit tags attached.

Exhibit tags for competitive 4-H members are white with a pink middle. **Tags for non-competitive 4-H members (ages 5-8) are blue.**
PREMIUM SHEETS

All competitive 4-H members (ages 9-19) use the regular Michigan Department of Agriculture premium sheet. To fill it out, first fill out all of your exhibit tags and arrange them in numerical order. Then transfer the information to the premium sheet in numerical order. This speeds up check processing considerably.

1. The club name and number goes here. Each club has a three digit number assigned to it. To find the number look at your club enrollment list. Each member is listed with a hyphenated number. The first part is the county code. (070) The second is the club number. The third part is the member’s number. (The 0 can be dropped)

2. The member’s computer number goes here. The member has the same computer number for each club enrolled in. However a separate premium sheet is used for each club they are showing under. (see above) Although the member number shows up as five digits (with a 0 to start), you only need the last four digits. Member numbers always start with a number between 1 and 4. The members’ computer number is the same as their back number.

3. Name of the fair goes here. Please specify: Berlin, Holland or Hudsonville.

4. Fill in the name, address and phone number of the 4-H member. The reason for the phone number is that the MDA occasionally audits fairs and will call exhibitors to see that they were entered and paid premiums. Keeping funding for fairs may depend on your filling this out correctly.

5. Age of the member is their 4-H age. This is the age they were on January 1st of this year.

6. Before you list entries be sure to arrange them in numerical order. The department is a letter (or a number at Hudsonville) and would be the first letter of the project code. See the fair book to find the correct department. If your exhibit tags are listed numerically they will also be alphabetical by project code.

7. The division is listed as a letter in the fair catalog. It is the second letter of the project code. (except at Hudsonville).

8. Section is not used. Leave it blank.

9. The class number is four digits long and will start with an 8 or 9.

10. You do not need to use a carbon copy premium sheet. A clear photo copy will do.

Note: Any Showmanship that says "No Premium" – do not list on premium sheet.

Put on your grass skirts, your coconut jewelry and your swim suit! The 4-H Teen club invites all teens to their beach party!

Wednesday
August 15th
6:00 p.m. to 9:00 p.m.
Kirk Park
(off Lakeshore Drive 2 miles south of M-45)

Bring pop to share. Teen Club will provide, hotdogs, hamburgers, buns, potato salad, s’mores, chips and condiments.

We have a pavilion reserved and the grill will be hot and waiting. There is a $3. parking fee per car for Ottawa residents.

RSVP with names to 846-8250 so we know how many to plan for! Donations gladly accepted to help offset costs, but this event is FREE for 4-H members. Adult chaperones welcome too. Bring your Frisbees and volley balls, swim suits and towels.
