How Do I Enter a Project in the Fairs? Each year parents call and ask how they enter their child’s project in the fair. Here are some helpful tips.

1. Identify all of the projects that an individual member has created in the past year (since last year’s fair)
2. Identify a class in the fair book that the project is eligible for. (Fair books are available from 4-H leaders, the 4-H office or online).
3. Fill out one exhibit tag per project for each fair it will be in.
4. Arrange the exhibit tags in numerical order (by class number)
5. Fill out a premium sheet for the fair, by listing each 4-H project on the sheet. There is a limit of 18 still exhibits per fair. Animal projects are in addition. Add animal projects after the still exhibits.
6. Attach the exhibit tag firmly to the project and tear off the white copy and keep it on file for when you pick projects back up after the fair.
7. Mail the completed premium sheet to the fair office (NOT the 4-H office) so that it arrives at least two weeks before the start of the fair.

8. Check the “Happenings” for the schedule of the fair. Still exhibit projects have specific times they may come to the fair. At Berlin Fair and Hudsonville Fair the member must come with the project to be interviewed. At Holland just the project must come to the fair to be put on display.
9. Take the project to the fair at the specified time where it will be judged. If your club has a booth at the fair, (the administrative leader had to sign up for a booth) take the project to the booth after judging. (or leave the project at the Holland Fair on the table where the project belongs – they are arranged by project type)
10. Return during the scheduled time at the end of the fair to pick up the project. Bring the top copy of the exhibit tag with you so you know what you are picking up.
11. Premium checks are usually available when you pick up the projects or they are mailed to you after the fair.
12. If you have animal projects be sure to check with your 4-H leader as to when they need to come to the fair. The fair books and the “Happenings” also list times for animals to come to the fair. Horses and dogs come the day of the show and leave when the show is over. All other species stay for the entire fair week. You will need to care for your animal every day to make sure it is clean, fed and watered.

**Honor Exhibits** Any member winning a purple county honor ribbon at Spring Achievements is eligible for the Honor Exhibit at the BERLIN and HOLLAND Fairs. Be sure to mark your exhibit as an honor and give it directly to the coordinator (Carol Visser at Berlin and Kim Pitch at Holland) who will assist you with putting it in the honor exhibit. Do NOT put your project on the regular tables with the other projects or it will not get an honor rosette!

**Demonstrations** Any member 9 and up may enter the demonstration contest. To do so, pre register for the demonstration class on your premium sheet and mail it to the fair office. Then SIGN UP for a time slot during the time that judging for still exhibits takes place. Then it is your responsibility to arrive at the demonstration location on time and ready to present your demonstration. The Teen Club provides rosettes and cash prizes which are in addition to the premium paid by the fair board. The cash prizes are: $30 first place, $20 second place, $10 third place.

Demonstrations may be on any topic but you may not use live animals. (Use a stuffed animal model) Call the 4-H office to get a copy of the score sheet. This is a fun and easy 4-H project and a terrific practice for future job interviews!

A projector is available by request if you wish to use presentation software and a computer.

**Teen Club** There are no regular meetings of the teen club in the summer. The next meeting will be the 2nd Thursday of September at 7:00 at the Allendale Library. See you in September!

**State 4-H Horse Show** Members wishing to show at the Michigan 4-H Horse Show need to be prepared to turn in their completed State 4-H Horse Show Entry by 5:00 p.m. on Wednesday, July 23rd at the 4-H office in Grand Haven. Your entry must include all paper work (with parent signatures) and a check for the entry fee made out to MSU Extension. A Coggins test must accompany the entry. All members who show at the State 4-H Horse Show will receive a commemorative gift from the Ottawa County 4-H Horse Committee. An order form will be found in your state horse show packet.

**Make It With Wool** The 61st annual Make It With Wool contest will be held this year at Kettunen Center on October 11, 2008. The deadline for entries in the contest is September 20, 2008. There is a $10 entry fee and you must include a sample of the material that your garment is made of. For a complete list of instructions and to get an entry form please call the 4-H office. This contest is open to everyone including adults. There are several age divisions and youth will not compete against adults.

**Horse Identifications** All members riding horses in any of our three fairs are required to have a horse ID sticker attached to their back number. These ID stickers are sent out to the administrative leader of record. Be sure you have a current ID sticker before you enter the ring! Extra stickers are available by calling the 4-H office so that you can wear one on each side of your saddle if you prefer.

There are no changes allowed after a HORSE HAS BEEN RIDEN AT ONE FAIR. Any other changes are only when approved by the 4-H Horse Committee and if you have a letter from the 4-H office expressly saying a change has been approved. They are only available in extreme hardship where death or injury resulting in loss has occurred.

**Poultry Pullorum Testing** We are fortunate to have Carol Groenink as our tester for pullorum for poultry going to the fairs. Unless your poultry project is from a certified free facility it must be tested before the fair. The fee is $1.00 per bird and the test is good for the summer. Testing will be done at the Berlin Fair Grounds on Friday, July 11, 2008 from 6:00 p.m. until 7:00 p.m.

**Talent Needed for Ladies Day** Our own Jinnifer Gibbs has once again asked if there are any 4-H members out there who have some special talent in singing, dancing or playing an instrument. She would like to invite you to perform during the Ladies Day event at the Holland Fair. It is Wednesday, July 23. Jinnifer would love to hear from you!!!! Please call her at the MSU Extension office which is 846-8250 (the same place as 4-H) Those performing will be sent a pass for themselves and one parent. We are looking forward to seeing you up on the stage.

Holland Passes  This year Holland will be using wrist bands for their weekly passes. Only youth and leaders who have animals staying at the fair all week will be issued these wrist bands. You will need to see Rick Clapp after you get to the fair to have him put it on you. If you don’t know who Rick Clapp is, go to the still exhibit barn and talk to Gerry Burns.

Those exhibitors coming in for one day to show an animal species need to get one day passes from Gerry Burns when you bring in your exhibits. If you are showing horses or dogs you should be there before they begin collecting at the gait in order to avoid the pass issue.

Big Scholarship Winner is Lisa Vander Veen  Congratulations to the multi talented Lisa Vander Veen who has won three different Ottawa County 4-H college scholarships! Lisa has been honored with the 4-H Dairy Committee scholarship, the Jack Ferwerda Memorial scholarship and the Ottawa County 4-H Council scholarship! That is $1,250 worth of support to assist her with her education as she begins her freshman year at MSU this fall.

Lisa has been a member of Ottawa County 4-H for ten years and in that time has had many successes in both the Clothing and Textile project and also the Dairy project. She was top construction and top model in our Spring Achievements, won the Michigan 4-H State award in Clothing and Textiles. She also won numerous awards in the dairy project while competing on our county judging and quiz bowl teams and traveling to both state and national competitions. Beyond that she also completed numerous community service and leadership projects in 4-H and gave countless hours of service to our county program. Congratulations and good luck in your college program Lisa!

Five Compete in State 4-H Awards  Five teens from Ottawa County traveled to MSU in June to participate in the State 4-H Awards program as regional project winners. They were Amber Haveman – Goats, Emily Hemstreet – Poultry, Bob Ferwerda – Dairy, Ashley Haveman – Goats and Camille Brillinger – Dogs. Congratulations to all of them on their fine accomplishments. State awards is a long and difficult process but these young members were willing to work hard and go the extra mile!

Hogs at Fairs  There has been recent concern surrounding a very small outbreak of PRV in transitional swine facilities in north east Michigan. This does NOT affect our 4-H program here in Ottawa County. All of our hog shows are terminal shows which means all hogs that leave the fair grounds go to market. **We do not need to have hogs tested at this time.** Any hog that comes to the fair and does not make weight **MUST** go to market. It cannot go back to the farm or to any other farm.
EXHIBIT TAGS

Step 1. Arrange your projects in numerical order (by class number) and fill out exhibit tags before you begin the premium sheets.

Step 2. On the exhibit tag circle the fair you are going to.

Step 3. Fill in name, club number, individual computer number and age.

Step 4. Put years in the project (not years in 4-H).

Step 5. **Describe your project (color, size, type etc.) Coordinators need good descriptions in case they need to find projects.**

Step 6. Write the department, division and class number (from the fairbook).

Step 7. Arrange your exhibit tags in numerical order and then write them on the premium sheet in that order.

Step 8. Attach the exhibit tag to the project (firmly). Remove and keep the top (white) copy of the exhibit tag.

Step 9. If no premium amount is listed in fair book, you don't have to list on premium sheet. (No exhibit tag needed)

Step 10. If you do not exhibit or show please turn in your pink copy to coordinator to be scratched off your premium sheet.

Step 11 Mail your premium sheet in to the FAIR BOARD office at least two weeks before the fair.

Step 12 Bring your projects to the fair with the exhibit tags attached.

PREMIUM SHEETS

All competitive 4-H members (ages 9-19) use the regular Michigan Department of Agriculture premium sheet. To fill it out, first fill out all of your exhibit tags and arrange them in numerical order. Then transfer the information to the premium sheet in numerical order. This speeds up check processing considerably.

1. The club name and number goes here. Each club has a three digit number assigned to it. To find the number look at your club enrollment list. Each member is listed with a hyphenated number. The first part is the county code. (070) The second is the club number. The third part is the member’s number. (The 0 can be dropped)

2. The member’s computer number goes here. The member has the same computer number for each club enrolled in. However a separate premium sheet is used for each club they are showing under. (see above) Although the member number shows up as five digits (with a 0 to start), you only need the last four digits. Member numbers always start with a number between 1 and 4. The members’ computer number is the same as their back number.

3. Name of the fair goes here. Please specify: Berlin, Holland or Hudsonville.

4. Fill in the name, address and phone number of the 4-H member. The reason for the phone number is that the MDA occasionally audits fairs and will call exhibitors to see that they were entered and paid premiums. Keeping funding for fairs may depend on your filling this out correctly.

5. Age of the member is their 4-H age. This is the age they were on January 1st of this year.

6. Before you list entries be sure to arrange them in numerical order. The department is a letter (or a number at Hudsonville) and would be the first letter of the project code. See the fair book to find the correct department. If your exhibit tags are listed numerically they will also be alphabetical by project code.

7. The division is listed as a letter in the fair catalog. It is the second letter of the project code. (except at Hudsonville).

8. Section is not used. Leave it blank.

9. The class number is four digits long and will start with an 8 or 9.

10. You do not need to use a carbon copy premium sheet. A clear photo copy will do.

Note: Any Showmanship that says "No Premium" – do not list on premium sheet.

Put on your grass skirts, your coconut jewelry and your swim suit! The 4-H Teen club invites all teens to their beach party!

**Wednesday**  
**August 13th**  
**5:00 p.m. to 9:00 p.m.**  
**Kirk Park Lodge**  
*(off Lakeshore Drive 2 miles south of M-45)*

Bring pop to share. Teen Club will provide hotdogs, hamburgers, buns, potato salad, s’mores, chips and condiments.

We have a pavilion reserved and the grill will be hot and waiting. There is a $3 parking fee per car for Ottawa residents.

**RSVP** with names to 846-8250 so we know how many to plan for! Donations gladly accepted to help offset costs, but this event is FREE for 4-H members. Adult chaperones welcome too. Bring your Frisbees and volley balls, swim suits and towels.
Message Regarding Premiums
The following message was sent from the Berlin Fair Treasurer: **Premium Checks:**
4-H premium statements will be available for group leaders on the final day of fair, Saturday July 19. These statements MUST be checked for any errors. Errors are to be reported to Ed Willcome before August 1st, 2008. If the error is found to be clerical, it will be corrected before checks are issued. We are bound by law to pay premiums based on judging sheets. We can not change judging results, so if the judge made a mistake we can not correct that. If no errors are reported, checks will be printed based on the premium statements as issued on the last day of fair. **Premium checks** will be available for 4-H leaders to pick up at the fair office on August 8 from 6-8 pm or August 9 from 8 – 10 am. We will not mail checks due to cost. If you are unable to pickup your checks during these times, please make alternate arrangements with John Willcome. Ed may be reached at his office 616-677-2551.

Dog Projects  All members showing dogs in competitive classes (ages 9 to 19) at the fairs must complete a notebook. Notebooks must be turned in on **Thursday, June 26th by 6:30 p.m.** at the annual meeting of the dog leaders which will be held in Room 103 of the County Building at 414 Washington Street, Grand Haven. They are not judged at this time but are examined for completeness. Books are then returned to members and can be entered in the fairs. Members whose notebooks are found to be incomplete will be given a notice and deadline for correcting the matter.

All dogs showing in agility this summer will be measured. Measuring will take place on **Wednesday, July 16th** before the Berlin Agility and Rally trials. If you are not showing that night you may opt to have the dog measured before the Holland or Hudsonville agility trials.

The State 4-H Dog show will be **Saturday, August 16, 2008** in Lansing at the pavilion. This show is open to all members of the dog project in Michigan. Entry fees are $5 per class and each member is limited to five classes (not including team, brace or poster). You must pre enter this show. Entries are due to the 4-H office by June 27th. For a complete show premium listing call the 4-H office or go on line to:

Calling all Sewing Members
If you modeled in Spring Achievements you are invited to participate in the fashion show at the Holland Fair as a part of the **Ladies Day** event on Wednesday, July 23rd. A post card will be sent to everyone, so look for it in your mail box. We need lots of models of all levels of experience and a variety of ages. If you want, you don’t even need to wait for the post card. You can call us at the 4-H office to sign up.

Thunder and Lightning “If you hear it, clear it.” It is impossible to have thunder without lightning, even if you do not see the lightening. If there is thunder that you can hear, it is possible to have lightning strike where you are standing! For this reason it is MSUE policy that if thunder is heard or lighting is seen, all programming **outside** must cease and participants moved inside to a safe location.
