Add – a – Bid

Have a small business? Want to help several members but can’t afford to buy 10 steers or 8 lambs or can’t make the auction due to other commitments? We now have a solution for you. Add – a – Bid will allow you to add $50, $100, $200 or any amount you would like to the end bid of any 4H / FFA members project. You can also use add-a-bid to contribute to the entire 4-H program in Ottawa County by adding a bid to the 4-H Council hog.

For example: Julie has a steer; John has a pen of pigs and Jim has a pen of sheep. You would like to help all 3 but it isn’t in your donation budget to afford all three projects. Now you may do an Add – a – Bid for any or all three, or donate to the 4-H county program through adding to the 4-H Council hog.

Julie’s steer sells for $1 per pound @ 1200 lbs. For a total of $1200 to bidder Corporation ABC – your Add – a – Bid of $75 will be added to the total to make a new total of $1275. Add-a-bids are not per pound, they are total dollars added.

Add-a-bids are treated just like the livestock sale and 4% is withheld for the Berlin 4H Livestock Program.

Add – a - Bid may be arranged prior to the sale by contacting:
