Create your own profile
Each participant will learn how to create pages on the site, a photo album and their own profile. They will also learn how Cloverlink can help club members and leaders communicate with each other.

Share your knowledge
4H is about sharing what you know. This site allows you to share the information you've gathered, communicate with one another, and in general support your 4H activities.

Meet other 4Hers
One of the best parts of shows is meeting new friends in other 4H clubs. Cloverlink can help you keep in touch with those friends and maybe even make some new ones. As the site grows, you can meet new people from all over the state of Michigan.

Win prizes
Prizes will be given out at the end of the day for the best profiles, photos etc. You must be present to win!

Sign up by e-mailing Lisa VanderVeen at: vande510@msu.edu
Or call 4-H at 616-846-8250. Pre-registration is required and you must have a parent permission form signed to joint Cloverlink. The Cloverlink workday is limited to the first 20 to register.

Cloverlink workday on Saturday
September 13
11:00 a.m. to 2:00 p.m.
Allendale Public Library
Lunch provided
Lots of Prizes!
FREE
Pre-registration required

4-H members ages 12 to 19 are invited to come spend a few hours with Professor Cliff Lampe and help create web pages on Cloverlink. Computers, digital camera and a scanner will be provided. Bring your photos, projects, ribbons, anything from the fairs you want to include.
